Mr. Effa Manley, Business Manager
156 Spruce Street,
Newark, New Jersey

Dear Mr. Manley:

I received your letter of appreciation for the cooperation which your Ball Club had from the Recreation Department while they were in the City of Daytona Beach.

The people of Daytona Beach did enjoy having your Ball Club here and feel assured that if your Club comes back to Daytona Beach the Recreation Department will attempt to improve our cooperation.

Very truly yours,

Cletus R. Allen
